

Fig 2. 14-segment LED Character

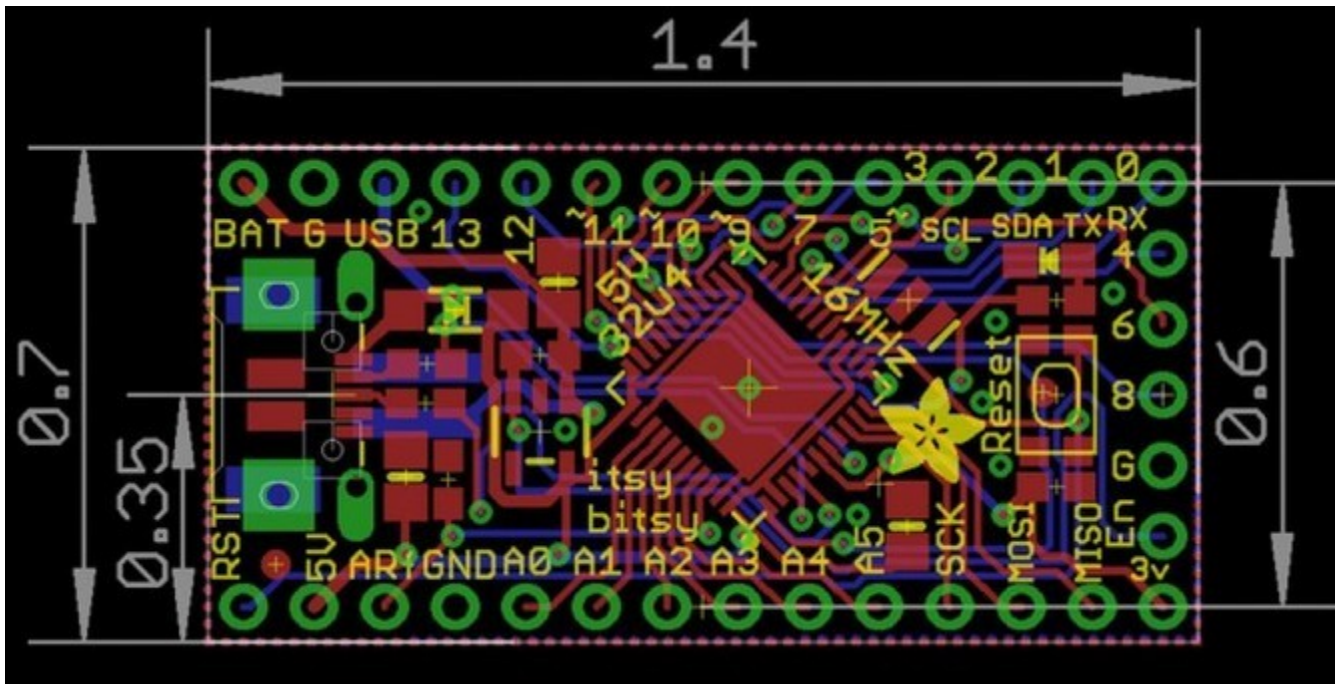

Fig 3. ItsyBitsy32u4 dimensions. [Measures in inch!]

Notes:

PCB thickness: 1.55mm

Component height front side: 10mm above PCB (corners of 7-segment are grinded down to reduce height, 14-segments are mounted at same height as 7-segment)

Component height rear side: 15mm above PCB on the highest point (ItsyBitsy micro-USB-port)
